Whether you have a fast food or fine dining establishment, we have solutions to fit your footprint.

With summer fast-approaching, consider temporary tents to protect your guests from Colorado's weather elements. Our tents allow your patrons a comfortable waiting area as well as your employees a safe break space.

Contact Benson Tent Rent today where our focus is on your safety and comfort.

MAXIMIZE YOUR OUTDOOR DINING SPACE OR PARKING LOT

- Cover your staff & patrons for take-out orders
- Cover your existing patio area with a tent for supplemental seating
- Install a tent in your parking lot
- Install a tent with flooring in a grassy area
- Increasing space means increased opportunities and safety

ALLOW AIRFLOW THROUGH YOUR DINING AREA

- Keep tent walls open for airflow
- Add tent fans to maximize airflow
- Dining customers show preference for open air seating
